The Union of the South for the sake of the South

CANTON, MISSISSIPPI: Saturday Morning, December 21, 1861.

! Northern 'Conservative' on the War.

whom the Southern people always swore by. heterogeneous mass. list of worthies who would stand forever by at the top of her voice.

fell swoop, by striking down the great pillars diers now encamped here. we should be vassals; our great wealth and and a quarter north of the town.

his condintors had more philosophy and good bless the "dear folks at home."

made on effort to get the eggs a little faster "Richard's himself again." man who killed his goose.

conquered; no compromise, no concession. It is also reported, but discredited, that

Truth, well and fitly spoken, and Daniel knows it right well. We look for nothing The general health of the regiment is very cent. All contributions to be addressed "inaugurated"; and it will reign supreme numerous. in that fanatical land until some bold leader can gather about him sufficient strength to seize upon and take away from them their liberty, and fasten upon their necks the yoke of an autocracy. Such government, and such alone-one that is irresponsible and has the power, holding both the sword and the | urse, can keep that people in decent subjection to any laws or authority-let alone those of morality and christianity-the voluntary observance of which, by a people, is an indispensable prerequisite, as well as a test, of self-government.

The South not only gave the North its amount of our Mississippi script for the rewealth, but it was the balance-wheel of the lief of the widow and children of our commachinery of the Union. But for the wis- rade in arms, WM. A. CAIN, who fell in the dom of Southern statesmen, and the sober. moral conservatism of the South, they would long since have gone into anarchy and ruin. James M Hicks,

When he says this revolution is not of "the R C Bicks, Jr., When he says this revolution is not of the W B Stinson, people," but the treachery of a few high offi- T B Blailock, cers whose baffled ambition plunged the coun- W H Hamblen, try into war, he atters what he knows to be J R Brodnax, false. If the people had not been ripe for W L Lester, secession, it could not have been brought J E Hauff, about. No efforts of baffled politicians ever yet carried any people into a measure against their will, and never will do so. If such could Exciting Times on the Potomac .- The have been accomplished, Dick and his crowd Richmond Examiner, of the 11th, says : would long since have carried the people of the North with him, in his philosophic way states that, on last Saturday and Sunday, of allowing the goose to live forever and lay there was, from some cause, a general exhim a golden egg every day. He and a few Beauregard had ordered the troops to be held more like him have been baffied to these many in readiness for a decisive movement. Bagyears, and no men ever made more strenuous gage was seat to the rear in huge wagon exertions to carry the people along with them, loads, and litters sent out to the various regneither did any ever fail more signally. The iments. Our soldiers were represented as people, there have gone their own way, and Fortunately for the Yankees, the battle was Daniel and his crowd are now going with declined by them,

Dickinson not only now goes with the abolitionists for crushing out the rebellion by the most cruel war recorded in modern times, but he has descended to telling palpable lies in order to keep up the courage of the northin order to keep up the courage of the northern people. It is a contest with them, not
only for the gold that fills their pockets, but
for the existence of free government. The for the existence of free government. The yield only with their dying gasps.

Finders in Nashville.—A lady from Madison parish, La., writing from Nashville to a friend, says:

I have been here four days only, and I have never seen or heard of so much misery. There are ten hospitals in the wind from the first house. They are mostly Texans Arkansians, Mississippians, Kenuckixas and Louisianians. There are encored were not beard to ten sick mean in their house. They are mostly Texans and Louisianians. There are one or two hospitals in East Tennessee which how hospitals in East Tennessee which have hospitals in East Tennessee which have not be supplied from here, because the citres there will give no assistance.

Prepared.—Under this caption, the Planters' (La.) Banner, of the 11th inst., says:
